# Get FREE Business Coaching

The Texas Child Care Business Coaching Pathway Program offers personalized business coaching designed to meet the individual needs of child care businesses and to connect you with existing systems of support throughout the state of Texas. Business coaching is offered in partnership by AVANCE, Curantis Group, and Civitas Strategies Early Start.

Home- and center-based providers can sign up to receive coaching on various topics, including:

- Attracting, hiring, and retaining staff.
- Marketing your program to increase enrollment.
- Creating a budget.
- Setting the best possible rates.
- Identifying new, sustainable revenue streams and maximizing state and federal stimulus funding.
- Mitigating risks to your child care business.
- Connecting with the systems of support for providers across the state of Texas.

Any child care provider in the state can [register here for FREE coaching](#) and for more information, visit the Texas Child Care website at [childcare.texas.gov](http://childcare.texas.gov).
